Document ID: MB-TC-EN-002

Last updated and effective as of September 29, 2020. Replaces any prior version in its entirety.

NOTICE: The sale of Products or Services by Miltenyi to Customer is expressly conditioned on Customer's assent to these Terms and Conditions. Miltenyi's acceptance of any Purchase Order for Products or Services issued by Customer is expressly limited to these Terms and Conditions and Miltenyi expressly objects to any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing. Customer's Purchase Order for Products or Services shall constitute Customer's unrestricted acceptance of these Terms and Conditions. Unless otherwise specified in the quotation, Miltenyi's quotation shall expire 30 days from its date and may be modified or withdrawn by Miltenyi at any time before final acknowledgement of Customer's Purchase Order.

1 DEFINITIONS

In these Terms and Conditions for Sale of Products and Services,

In the event of a contradiction or inconsistency, except where specifically stated otherwise by the parties in writing, these Terms and Conditions shall prevail.

"Products" means any products (including any parts thereof and related documentation) and other goods (including software any Services Deliverables) which Miltenyi agrees to supply to the Customer under the Contract.

"Purchase Order" or "Order" means the electronically generated or written document containing the commitment of Customer to purchase the Products or Services, to which these Terms and Conditions shall apply.

"Services Deliverable" means any work product of the Services supplied under these that Miltenyi has agreed to provide to Customer under the Contract.

"Terms and Conditions" means these "Terms and Conditions for the Sale of Products and Services," including any relevant addenda thereto and any additional provisions referenced herein, as amended.

2 SCOPE OF THESE TERMS AND CONDITIONS

2.1 These Terms and Conditions shall apply to all quotations made by Miltenyi and all Purchase Orders placed by Customer and shall form part of and govern any all Contracts and other dealings between Miltenyi and Customer for the sale of Products and/or Services, irrespective of whether Customer accepts these Terms and Conditions by a written acknowledgement, by implication, or by acceptance of Products and/or Services hereunder.

2.2 These Terms and Conditions shall apply to the exclusion of, and we shall not be bound by, any other term or condition on any Order, acknowledgement, acceptance or other communication or document submitted by Customer in any form whatsoever, which is hereby objected to and which shall be of no force or effect whatsoever. Miltenyi's failure subsequently to object to such terms and conditions contained in Customer's documents shall not be deemed a waiver of any of the Terms and Conditions herein set forth, which shall constitute the entire agreement between the parties. No amendment, deletion, supplement or change in these Terms and Conditions shall be binding upon Miltenyi unless separately and specifically

approved in writing and signed by a duly authorized representative of Miltenyi.

2.3 All items of software provided to Customer in connection with the Products or Services hereunder are licensed to Customer subject to the terms and conditions of the Miltenyi Biotec Software License Terms, made available on Miltenyi's web site, www.miltenyibiotec.com.

2.4 These Terms and Conditions are subject to change without notice at any time, in Miltenyi's sole discretion.

3 ORDERS AND ACCEPTANCE

3.1 Any quotation given to Customer by Miltenyi's agents or employees only constitutes an invitation to treat but does not constitute an offer by Miltenyi, and is only valid for a period of 30 days from its date of issue unless withdrawn earlier.

3.2 By placing a Purchase Order, Customer makes a binding offer to Miltenyi to purchase the Products and/or Services listed in Customer's Order in accordance with these Terms and Conditions. When Customer places an Order (i.e. via fax, mail or by pushing the "Buy Now" button in the Miltenyi Biotec webshop), Miltenyi will provide Customer with a written or electronic notice confirming receipt and relevant details of Customer's Order. This order confirmation solely serves to acknowledge that Miltenyi has received Customer's Order, but does not constitute acceptance thereof. Orders placed by Customer may not be cancelled or rescheduled without Miltenyi's written consent. Customer shall be solely responsible for the accuracy and completeness of its Order and any relevant information provided therewith.

3.3 Customer's Purchase Order shall be subject to acceptance by Miltenyi at which point and on which date a binding Contract between Miltenyi and the Customer shall come into force and effect. Customer's Order shall be deemed to be accepted by Miltenyi subject to these Terms and Conditions in any of the following events (each, an "Acceptance"), whichever is earlier: (a) Miltenyi issuing express written acceptance of the Order to Customer; (b) dispatch of the ordered Products; or (c) Miltenyi's commencement of work on Products or performance of Services. Miltenyi may decline any Order in whole or in part, for any lawful reason whatsoever. A proposed Order shall be deemed void and without effect if Miltenyi fails to give Acceptance thereof within 60 days from the date of receipt thereof by Miltenyi.

3.4 Miltenyi will store Customer's Purchase Order and all relating contract documentation. Within 12 months following the Order, Customer may request a copy of the Contract and related documentation. For further information regarding the processing of personal data by Miltenyi, please see Miltenyi's Privacy Statement made available on Miltenyi's web site, www.miltenyibiotec.com.

3.5 Miltenyi will notify Customer that the Order has been dispatched by sending an e-mail confirming the dispatch (the "Dispatch Confirmation"). If Customer's Order is dispatched in partial shipments, Customer may receive a separate Dispatch Confirmation for each shipment, and each Dispatch Confirmation and corresponding dispatch will conclude a separate contract of sale between Miltenyi and Customer for the Product(s) specified in the respective Dispatch Confirmation, unless otherwise agreed in writing.

3.6 Miltenyi reserves the right to make changes to the specifications of any Product and/or Service supplied which are required to conform with any applicable safety or statutory requirements.

3.7 Miltenyi field workers and sales personnel are not authorized to conclude oral agreements. Any oral commitments deviating from our offer, quotation or order confirmation shall only be valid if confirmed in writing and signed by a duly authorized representative of Miltenyi. Customer shall bear the burden of proof that Miltenyi has agreed to any terms that are not set forth in writing. Verbal agreements made after execution of a Contract must be confirmed in writing by a duly authorized representative of Miltenyi to be valid.

4 PRICES

4.1 The price for Products shall be the price set out in the accepted Order, or if no price is quoted the price set out in Miltenyi's published price list as at the date of the Order.

4.2 The price for Services shall be the price set out in the accepted Order, or if no price is quoted the price set out in Miltenyi's published list as at the date of the Order or where there is none applicable to the Services in question, the price calculated on a time and material basis at Miltenyi's then current rates. In addition, we shall be entitled to charge the Customer for any expenses reasonably incurred by the individuals whom we engage in connection with the Services including travelling expenses, hotel costs, subsistence and any associated expenses, and for the cost of Services provided by third parties and required by Miltenyi for the performance of the Services, and for the cost of any materials.

4.3 All prices are quoted EXW Miltenyi's facility or warehouse (Incoterms 2010) including normal packaging. Unless

otherwise indicated in the Contract or agreed in writing, prices quoted are exclusive of all costs and charges of special packaging, insurance, and transport of the Products which may be invoiced to the Customer at applicable rates.

4.4 All prices quoted are exclusive of any amounts in respect of taxes of any nature (including sales, use, excise or value added taxes (VAT) and other taxes and charges of any kind, other than taxes based on Miltenyi's income) or customs, import or other any other duties or levies as are chargeable in respect of the supply of the Products or Services to Customer from time to time (collectively "Taxes"). Where any taxable supply of Products or Services is made under the Contract by Miltenyi to the Customer, the Customer will be responsible for payment of all such Taxes. The Customer shall, on receipt of a valid tax invoice from Miltenyi, pay to Miltenyi such additional amounts in respect of applicable Taxes as are chargeable on the supply of the Services or Goods at the same time as payment is due for the supply of the Products or Services.

4.5 If Miltenyi has the legal obligation to collect or withhold any such Taxes, the appropriate amount shall be added to Miltenyi's invoice to Customer and paid by Customer. If, for whatever reason, Miltenyi does not collect any such amount from Customer and Miltenyi becomes liable to pay any such Taxes or has paid such amounts, shall promptly reimburse such amounts to Miltenyi within thirty (30) from Miltenyi's written notice. If Customer deducts or withholds Taxes, Customer shall pay additional amounts so that Miltenyi receives the full invoiced purchase price without reduction for Taxes. Customer shall provide to Miltenyi, within one month of payment, official receipts from the applicable governmental authority for deducted or withheld taxes.

4.6 All prices are subject to change without prior notice at any time except for work in progress or as otherwise specifically provided in a written quotation signed by an authorized representative of Miltenyi. Rates of tax and duties on the Products and Services will be those applying at the time of invoice.

5 PAYMENT

5.1 All amounts due hereunder are stated in, and shall be paid in, Euro (EUR) currency. The Customer shall pay each invoice submitted by Miltenyi, within 30 days of the invoice date (NET 30) (if no other terms of payment are specified), in full and in cleared funds to a bank account nominated in writing by Miltenyi (including by email), and time for payment shall be of the essence of the Contract. All amounts due under the Contract shall be paid in full without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law), except to the extent Customer's counterclaims are undisputed or have been finally adjudicated in a court of competent jurisdiction or pursuant to binding arbitration.

5.2 In respect of the Products and/or Services, Miltenyi reserves the right to invoice the Customer at any time during or after the Contract term (including on Acceptance of Customer's Order) and shall be entitled to raise interim and/or abortive invoices where relevant.

5.3 Payment by check or bill of exchange will be effective only after these instruments have been cleared and paid. All discounts on bills of exchange and any collection fees and other bank charges shall be borne by Customer.

5.4 If the Customer fails to make a payment due to Miltenyi under the Contract by the due date, then Miltenyi may, without prejudice to any other remedy available to Miltenyi (including termination pursuant to Section 18.2), the Customer shall pay interest on the overdue sum from the due date until payment of the overdue sum, whether before or after judgment. Interest under this Section 5.4 will accrue each day at an annual rate of 8 percentage points above the European Central Bank's then-current base rate from time to time, but at a minimum rate of 8% a year (for any period when that base rate is below 0%) or, if lower, the maximum interest permitted by applicable law.

5.5 At any time, if in Miltenyi's opinion the financial condition of Customer so warrants, or if Customer fails to make payment when due or otherwise defaults hereunder, Miltenyi may change terms of payment, suspend any credit previously extended to Customer, require partial or full payment in advance and delay shipment until such terms are met, and pursue any other remedies available at law. In such event, if Customer refuses to accept such changes, Miltenyi may cancel any Order then outstanding and/or terminate the Contract with immediate effect without any liability to Customer on its part and recover any unpaid Products held by Customer which remain the property of Miltenyi.

5.6 Miltenyi may, at any time and in respect of any Order, require the Customer to pay a deposit as security for payment of future invoices or any other amounts that may become payable by the Customer to Miltenyi under or in connection with the Contract. If the Customer fails to pay such a deposit Miltenyi has a right to suspend the supply of Products or provision of the Services. Miltenyi shall be entitled to apply the deposit against any amount payable by the Customer under or in connection with the Contract. The Customer shall reinstate the full deposit amount by paying to Miltenyi any sums deducted from the deposit within 7 days of a demand for the same. The payment, receipt and application of any deposit is without

prejudice to any rights, remedies or claims Miltenyi may have against the Customer under or in connection with the Contract. The balance of the deposit shall be offset against the final payment due by the Customer to Miltenyi in respect of the corresponding Order.

5.7 At our discretion, any partial payment shall first be allocated to older debt. If costs for prosecution (in particular, costs for reminders) have already arisen, we shall be entitled to offset Customer's payment first against such costs, then against the interest and finally against the primary claim. In the event of default, unless higher costs have arisen, a fixed amount of € 15 shall be charged for each reminder following the occurrence of the default.

6 DELIVERY AND SHIPMENT; STORAGE

6.1 Unless otherwise specified by Miltenyi in writing, delivery of the Orders described herein to Customer will be FCA Miltenyi's facility or warehouse (Incoterms 2010), freight prepaid and charged back (i.e., Miltenyi pays freight and adds it to the invoice; Customer bears freight, handling and processing costs; Customer owns goods in transit), in standard packaging. Miltenyi may invoice standard shipping charges.

6.2 Delivery will be made by Miltenyi either by delivering the Products to Customer's specified carrier (as is notified to Miltenyi in advance of delivery) or procuring delivery to the Customer by a common carrier of Miltenyi's choice. Method and route of shipment are at Miltenyi's discretion, unless Customer supplies written instructions otherwise.

6.3 Any dates quoted for delivery of the Products in the Order, Miltenyi's Acceptance, or any other communication between the Parties (whether oral or in writing) are approximate only and do not constitute a guarantee for delivery. Time for delivery will not be of the essence for the Contract, except where Miltenyi expressly guarantees on-schedule delivery in writing. Delivery dates shall be deemed to have been met upon Miltenyi's sending of the applicable Dispatch Confirmation pursuant to Section 3.5. Delivery may be made by Miltenyi in advance of the quoted delivery date upon giving reasonable notice to the Customer. Miltenyi may make partial shipments of Customer's Orders, to be separately invoiced and paid for when due, provided that freight and packaging shall only be charged once. Any delay in delivery of any instalment will not relieve Customer of its obligation to accept the remaining deliveries. While every effort is made to facilitate delivery of Customer's Order on time, and by the estimated delivery date, Miltenyi shall not be liable for any failure to ship complete Orders or for any delay in delivery of the Products however caused (except as provided in Section 6.4 below).

6.4 In the event that Miltenyi has provided an express written guarantee for on-schedule delivery and, due to the negligence of Miltenyi or its subcontractors, delivery is delayed beyond the guaranteed date of delivery, Miltenyi's liability for Customer's losses shall be limited to a maximum amount of one-half percent (0.5%) of the purchase price for the relevant Products or Services for each full week of delay, and shall in no event exceed an amount equal to five percent (5%) of the purchase price for the relevant Products or Services. This limitation shall not apply if our liability results from intentional misconduct or gross negligence.

6.5 In the event that any Products to be delivered hereunder at Miltenyi's facility or warehouse cannot be shipped to or received by Customer when ready due to any cause attributable to Customer or its other contractors (including Customer's carrier), then, without prejudice to any other right or remedy available to Miltenyi: (a) Miltenyi may store the Products until actual delivery and charge the Customer for all reasonable costs of storage, including insurance, incurred by Miltenyi related to the storage, payable by Customer upon submission of Miltenyi's invoice; or (b) in the case of Service Deliverables or other Products that are customized or made-to-order for Customer, sell the Products at the best price readily obtainable and (after deducting all reasonable storage and selling expenses) account to the Customer for the excess over the price under the Order or charge the Customer for any shortfall below the price under the Order. If Miltenyi places Products into storage, (x) delivery shall be deemed to have occurred and title and risk of loss will immediately pass to Customer; and (y) any amounts otherwise payable to Miltenyi upon delivery or shipment shall be due and payable by Customer upon submission of Miltenyi's invoices. When conditions permit and upon payment of all amounts due, Miltenyi shall make the Products available to Customer for delivery.

6.6 Miltenyi will gladly hold Customer's Order for one week after notification. After that time, we will assess a storage and handling fee of one-half percent (0.5%) of the invoiced purchase price for stored Products for every week, or portion thereof, during which the Products are stored. Customer shall also compensate us for any higher costs reasonably incurred in connection with the storage of the Products.

7 RISK AND TITLE

7.1 Notwithstanding any expectation or agreed upon delivery times, prepayment of transportation or insurance charges, title and risk of loss or damage to the Products, including responsibility for any costs and expenses arising from or relating

to the Products, shall pass to Customer upon delivery of the Products or upon moving the Products into storage pursuant to Section 6.5, whichever occurs first. All expenses and risks of loss or any damages incurred in the transportation of the Products, including any risks of loss in loading or unloading, shall be borne solely by Customer, unless otherwise specified. Any such loss or damage shall not release Customer from its obligation to pay the purchase price in full.

7.2 Notwithstanding the foregoing, Miltenyi grants only a license, and does not pass title, for any software provided by Miltenyi under the Contract, and title to any leased equipment remains with Miltenyi.

7.3 If repair Services are to be performed on Customer's equipment at Miltenyi's facility, Customer shall be responsible for, and shall retain risk of loss of, such equipment at all times, except that Miltenyi shall be responsible for loss or any damage to the equipment while at Miltenyi's facility to the extent such loss or damage is caused by Miltenyi's negligence.

7.4 Unless otherwise notified by Miltenyi in writing, the right to retake possession of the Products purchased from Miltenyi shall remain with Miltenyi until all sums owing to it by Customer in respect of the Products shall have been paid in full. Miltenyi may, at Customer's expense, retake possession of the Products. So long as such right remains with Miltenyi, Customer shall keep the Products stored in such a manner which enables them to be identified as the Products and, wherever required by Miltenyi, identify the Products to Miltenyi. Customer shall maintain insurance for the Products after delivery to Customer until the Products are paid in full to the full replacement value of the Products.

8 INSPECTION AND ACCEPTANCE

8.1 Customer shall be responsible for examining and inspecting each shipment of Products delivered hereunder promptly upon receipt of such shipment. Customer shall promptly notify Miltenyi in writing if any Products delivered do not correspond in quantity, type or price to those itemized in the shipping invoice or documentation, or fail to comply with Miltenyi's warranty in Section 12 below. Any shipment of Products made hereunder shall be deemed to have been accepted by Customer if Customer fails to give written notice of rejection (with sufficient details of the alleged defect or deficiency) to Miltenyi (a) within five (5) business days after receipt of the relevant shipment of Products, or (b) for latent defects or deficiencies which could not have been discovered by the exercise of all reasonable care during reasonable inspection and testing, within five (5) business days from the occurrence or discovery of the alleged defect or deficiency by Customer. Customer's failure to give notice of any claim within the applicable time period specified above shall be deemed an absolute and unconditional waiver of such claim, irrespective of whether the facts giving rise to such claim shall have been discovered or whether processing or use of the Products shall have then taken place.

8.2 Miltenyi reserves the right to inspect and test the rejected Product(s) in each case. Customer shall give Miltenyi reasonable time and opportunity to perform such inspection. Upon Miltenyi's request, Customer shall arrange for the return of the rejected Product to Miltenyi's facility, at Miltenyi's expense. If Customer's notification of defects proves to be unjustified, Customer shall be obligated to reimburse Miltenyi for all reasonable, documented costs actually incurred in connection with the investigation of the alleged defect (e.g., inspection costs, travel costs and shipment costs).

8.3 Defects of partial deliveries shall not entitle Customer to reject the remainder of the contractual quantity unless Customer can prove that it would be unreasonable for Customer to accept only a part of the delivery under these circumstances.

8.4 Customer's warranty claims owing to defects as to quality of the Products and/or Services shall become time-barred 12 months following the assumption of risk by Customer. The same shall apply to defects of title. Customer's rights under §§ 478, 479 of the German Civil Code (BGB), if applicable, shall not be affected thereby. For expendable materials (e.g. reagents, kits), the warranty period shall expire upon the earlier of the date set forth in the first sentence and the indicated use-by date of the product (see Section 9.3, below). In the event of maliciously concealed or intentionally caused defects, the statutory limitation periods shall apply with regard to Customer's damage claims and rights.

9 LIMITATIONS ON USE

9.1 Products sold or otherwise delivered by Miltenyi must only be used for the purposes and in accordance with the usage instructions stated on the product package and/or the applicable product use statement. In particular, our Products are for research use only and are not to be used, neither directly nor indirectly, for therapeutic or diagnostic purposes unless (a) the product has been expressly approved for such purposes by Miltenyi, (b) such use is permitted under the statutory law applicable for Customer and the user, and (c) all required approvals and permissions have been granted by the appropriate regulatory agency(ies) and/or other competent authority(ies). Customer shall be solely responsible for ensuring that the Products are suitable for Customer's particular use, and that Customer's intended use of the Products does not violate statutory law and Customer has obtained all necessary approvals and permissions.

9.2 Customer shall handle and use the Products and any results obtained from their use in compliance with (a) good laboratory practice, (b) all applicable laws and regulations, guidelines and decisions of judicial or regulatory bodies and (c) any patent and other proprietary rights of third parties.

9.3 Products with use-by dates may only be used subject to the use-by dates stated on the product package and are only warranted for the use by such dates.

10 RETURNS; REFUNDS

10.1 Products delivered under the Contract may not be returned without prior written approval from Miltenyi by way of a valid Return Goods Authorization ("RGA"). Only items that have been purchased directly from Miltenyi, either online or by other means, can be returned directly to Miltenyi. Products purchased through other retailers must be returned in accordance with their respective returns and refunds policy. Except for warranty returns, only standard goods regularly maintained in stock by Miltenyi will be considered by it for return by the Customer for credit. If RGA is granted, Products must be returned to Miltenyi in good resalable condition, freight prepaid and credit will be allowed depending on the condition upon receipt by Miltenyi. Special packaging by Customer may be necessary to protect Products returned. Credit shall not exceed 90% of the original or then current purchase price for the Products delivered to the Customer whichever is lower, less freight paid by Miltenyi on the original shipment to the Customer.

10.2 If Miltenyi determines (e.g., after inspection of the returned Products) that the requirements for a refund have been met, the refund is initiated immediately. The way your refund is processed depends on your original payment method. If you paid by credit or debit card, refunds will be sent to the card-issuing bank within 5 business days of receipt of the returned item. You will be notified via email at the address listed on your account when this transaction has taken place. Please note that your card-issuing bank may require additional days to process and post this transaction to your account once they have received the information from us. Please contact your banking institution with questions about when the credit will be posted to your account. Allow up to two billing cycles for a refund to appear on your credit card statement.

11 NO RESALE; NO EXPORT

11.1 Except as otherwise agreed in writing by Miltenyi's authorized representative, the purchase or other delivery of Miltenyi Products only conveys to Customer the non-transferable right for Customer to use the delivered Products in compliance with the applicable product use statement. Unless otherwise authorized under a commercial license from Miltenyi, no right to resell the Products, or any portion of them, in any way, shape or form, including as a component of another product, is conveyed.

11.2 To the maximum extent permitted by applicable law, Miltenyi does not permit Customer to re-export the Products from the country of delivery.

12 LIMITED WARRANTY

12.1 Miltenyi's Products are manufactured and all Services are rendered with due care and in accordance with applicable statutory laws and regulations. Owing to the complexity of biotechnological products, materials and procedures, however, it cannot be guaranteed that our Products or Services function without defects in all applications, environments and/or combinations. For this reason, Miltenyi does not assume any guarantee or liability to the effect that our Products or the results of our Services are appropriate in each individual case for the specific purpose intended by Customer. Subject to the limitations of this Section 12 and unless otherwise expressly provided, Miltenyi warrants only that the Products and Services will conform to Miltenyi's published specifications for such Products and Services in effect at the time of order acceptance, or any analysis certificate presented with the product or service result.

12.2 Any samples, measurements and product/service details contained in catalogues, price lists, brochures and/or quotations presented to Customer only constitute an approximate guide and may under no circumstances be understood as an assurance of properties in terms of a guarantee. We reserve the right to make any changes thereto which we consider necessary in our absolute discretion. In the event Miltenyi and Customer wish to agree on a guarantee in an individual case, contrary to the above, this must be done expressly and in writing signed by a person with requisite authority at Miltenyi.

12.3 The warranty shall not cover defects and/or damage caused by force majeure or other outside impact, inappropriate treatment, improper storage, disregard of operating and safety procedures or recommended maintenance intervals, or normal wear and tear. In particular, no warranty shall apply to any item which has been operated by untrained users, serviced, repaired or altered except as set forth in the user manual or otherwise expressly authorized by Miltenyi, or which has been otherwise interfered with by Customer and/or by unauthorized third parties. Defects and/or damage caused by the use of

replacement parts, accessories and/or expendable materials (in particular, reagents) other than those expressly approved by Miltenyi (e.g., in the user manual or otherwise in writing) shall also not be covered by this warranty.

12.4 Miltenyi's sole liability, and Customer's sole and exclusive remedy, with respect to any claim of any kind against Miltenyi, including without limitation any claim in contract, negligence or strict liability, will be, at Miltenyi's option, (a) redelivery of the non-conforming Product or re-performance of any non-conforming Services (or such portion thereof as may reasonably be required to be re-performed) until completion or (b) a refund of the payments allocable to the non-conforming Product or Services.

12.5 THE LIMITED WARRANTY IN SECTION 12.1 ABOVE IS EXPRESSLY IN LIEU OF ANY AND ALL OTHER WARRANTIES AND MILTENYI HEREBY DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION (A) ANY IMPLIED AND ALL OTHER WARRANTIES AND MILTENYI HEREBY DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION (A) ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR (B) ANY IMPLIED WARRANTY THAT ANY USE OF THE PRODUCTS OR SERVICES WILL NOT VIOLATE OR INFRINGE ANY PATENT OR OTHER PROPRIETARY RIGHTS OF THIRD PARTIES, WITH RESPECT TO THE PRODUCTS OR SERVICES, OTHER THAN AS EXPRESSLY SET FORTH IN SECTION 12.1 ABOVE.

13 LIMITATION OF LIABILITY

13.1 MILTENYI SHALL NOT IN ANY EVENT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY OR PUNITIVE DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF USE, LOSS OF WORK-IN-PROGRESS, LOSS OF DATA, COST OF SUBSTITUTE EQUIPMENT, MATERIAL, FACILITIES OR SERVICES, DOWNTIME COSTS, COSTS OF UNUSED STAFF, LOSS OF REVENUE OR PROFITS, LOSS OF BUSINESS, LOSS OF GOODWILL, LOSS OF ANTICIPATED SAVINGS, OR OTHER ECONOMIC LOSS OF ANY KIND, ARISING IN CONNECTION WITH CUSTOMER'S USE OF OR INABILITY TO USE THE PRODUCTS OR SERVICES, OR MILTENYI'S FAILURE TO PERFORM THE SERVICES IN ACCORDANCE WITH THE LIMITED WARRANTY SET FORTH IN SECTION 12 ABOVE. THE FOREGOING LIMITATION OF LIABILITY WILL APPLY UNDER ANY LEGAL THEORY AND REGARDLESS OF THE FORM OF ACTION, INCLUDING BUT NOT LIMITED TO CONTRACT, NEGLIGENCE, STRICT LIABILITY IN TORT OR WARRANTY OF ANY KIND, WHETHER OR NOT FORESEEABLE, EVEN IF MILTENYI HAD NOTICE OF THE POSSIBILITY OF SUCH DAMAGES, AND SHALL ALSO APPLY IN THE EVENT OF LOSSES CAUSED BY THE BREACH OF DUTIES IN CONTRACT NEGOTIATIONS.

13.2 Miltenyi's liability for breach of warranty or for any loss or damage resulting from any other cause whatsoever, including alleged negligence, shall not exceed the lesser of (i) the cost of correcting any non-conformity in the Products or Services or (ii) the cost of replacing the Products or re-performing the Services. In no event (including unenforceability of the above limitations and independent of any failure of essential purpose of the limited warranty and remedies provided hereunder) shall Miltenyi's aggregate liability for damages hereunder exceed the purchase price or fee (exclusive VAT) paid or to be paid for the specific Products or Services to which the particular claim relates. The parties acknowledge that the limitations set forth in this Section 13 are integral to the prices charged and that, were Miltenyi to assume any further liability other than as set forth herein, such prices would of necessity be set substantially higher. Customer expressly agrees that this limitation of damages and remedies shall constitute the exclusive remedies and measure of damages available to Customer and all other remedies and measures of damages which might otherwise be available under the law of any jurisdiction are hereby waived by Customer.

13.3 Without limitation to the generality of the foregoing limitation, Miltenyi shall not be liable for any damage or loss caused by the improper or unapproved use of the Products. Customer shall defend, indemnify and hold harmless Miltenyi from and against any and all losses, costs and expenses, including without limitation reasonable attorneys' fees, in any way arising out of or relating to (a) any use of the Products not in compliance with the uses stated in Section 9 above, (b) any failure of Customer to comply with good laboratory practice, laws, regulations, guidelines or decisions in the handling or use of the Products, (c) any violation or infringement of any patent or other proprietary rights of third parties by Customer in the handling or use of the Products, or (d) any other use or misuse of the Products by Customer.

13.4 The limitations set forth in this Section 13 shall not restrict or exclude our liability for death or personal injury caused by negligence on our part, on the part of our executive employees or on the part of our vicarious agents. Further, nothing set forth herein shall restrict or exclude our liability based on intentional misconduct or gross negligence on our part, on the part of our executive employees or on the part of our vicarious agents, or our liability resulting from mandatory product liability laws or other mandatory statutory laws and regulations, as applicable.

14 PERFORMANCE

14.1 Timely performance by Miltenyi is contingent upon Customer supplying to Miltenyi, when needed, all required technical information, documentation and/or materials, as reasonably requested by Miltenyi from time to time. Miltenyi shall be released from its obligation to deliver the Products and/or to perform the Services under Customer's Order if, and for as long as, Customer fails to provide all necessary technical information, documentation and/or materials. Any technical information, documentation, specifications, data, drawings, data sheets, or other materials or documentation provided to Customer by Miltenyi are intended for guidance only and are not binding unless expressly stated otherwise. Miltenyi reserves all rights in all such materials and documentation. Without Miltenyi's prior written consent, any such materials and documentation shall not be: (a) disclosed, in whole or in part, to any third party; (b) used for any purpose other than those for which they have been provided to Customer; or (c) used for the manufacture of any duplicate or similar products (or part thereof) or performance of any duplicate or similar Services (or any portion thereof) by Customer or any third party.

14.2 Other than for the requirements to make payment when due, neither party shall be liable for any delay or failure to meet its obligations under these Terms and Conditions and the applicable Contract due to unforeseen circumstances or to causes beyond such party's reasonable control, including events of force majeure, including, but not limited to, acts of governmental authority or any agency or commission thereof, revisions of statutory law, war, fire, flood, accidents, acts of God, terrorism, embargoes, acts of third parties, breakdown of equipment, shortages of material, labor or power, labor strikes, work stoppage or labor unrest, or any other cause beyond reasonable control that renders the delivery or service substantially more difficult or impossible. 14.3 Customer shall be solely responsible that the materials, documents or other information provided by Customer hereunder do not infringe the intellectual property rights or other rights of third parties (in particular, patents, utility patents and other property rights and copyrights). The same shall apply in the event Customer prescribes by means of instructions, information, documentation, drafts or drawings how an ordered product is to be created or an ordered service is to be rendered. Customer shall be obligated to indemnify and hold harmless Miltenyi from any claims of third parties that are asserted against Miltenyi on the basis of such infringement.

15 SUPPLEMENTAL TERMS AND CONDITIONS FOR SERVICES

15.1 Miltenyi will perform all Services using due care in accordance with (a) the statement of work relating to the Services that is made part of the Contract and (b) generally prevailing industry standards. Miltenyi will make a good faith effort to start and complete all Services in a timely manner and will notify Customer if it has determined that there are likely to be substantial delays.

15.2 In the event that Customer requests or otherwise directs any change to the agreed scope of work of the Services that results in an increase in the cost of the Services and/or affects the projected completion date of the Services, the agreed fee for the Services and/or the completion date shall be adjusted to a degree commensurate with such changes. Cancellation of Services in progress will result in a partial charge commensurate with the percentage of work completed at the time of cancellation.

15.3 Customer shall furnish Miltenyi with all necessary materials such as cells, compounds, samples, or other substances, in sufficient quantities as reasonably required by Miltenyi to perform the Services, as well as comprehensive data and information pertaining to said materials concerning stability, storage and safety requirements (collectively, "Customer Materials"), Customer Materials provided. Prior to the performance of microarray Services, Miltenyi will perform QC testing of Customer Materials. An additional charge will be incurred where a repetition of the preprocessing tests should be required due to Customer Material failing such a test. Miltenyi reserves the right to ship Customer Materials to other Miltenyi facilities for processing. Shipments of Customer Materials shall be made at Customer's sole risk. Miltenyi shall not be liable for any loss or damage to Customer Materials during transit, unless caused by intentional misconduct or gross negligence of Miltenyi. All claims for loss or damage incurred during shipment shall be made by Customer directly to the carrier. Upon completion of the Services, excess Customer Materials will be disposed of, unless otherwise requested by Customer in writing. Excess non-amplified RNA will be stored at Miltenyi's facility at Customer's risk for a period of three months after completion of the Services. On request, excess non-amplified RNA, and/or other Customer Materials, shall be sent to Customer subject to an additional charge. Otherwise all excess non-amplified RNA will be destroyed without further notice after the end of the three month storage period.

15.4 Except as set forth otherwise herein or in the Contract, Miltenyi will maintain documentation of all relevant

information, records, raw data, specimens and other work product generated by Miltenyi as a result of the performance of the Services ("Data") for a period of 12 months following completion of the Services. During performance of the Services and for three (3) years thereafter, Miltenyi will keep all Data confidential and will not disclose the same to any person except its employees, consultants, and subcontractors having a need to know in connection with the performance of the Services. Miltenyi may disclose Data to its employees, consultants, or subcontractors, provided that such disclosure shall be made subject to a confidentiality undertaking on terms no less onerous than those contained herein. Miltenyi shall protect the Data using the same degree of care as Miltenyi uses to protect its own confidential information, but in any event no less than a reasonable degree of care. Notwithstanding any other provisions herein, Miltenyi shall have no liability or obligation to Customer for, nor be in any way restricted in, its disclosure or use of any Data which, as Miltenyi can reasonably establish (a) is already known to Miltenyi at the time of disclosure; (b) is or later becomes publicly known by any means whatsoever, through no wrongful act of Miltenyi; (c) is received from a third party without breach of the confidentiality obligation hereunder; (d) is disclosed pursuant to an enforceable order of a court or administrative agency; or (e) is independently developed by or for Miltenyi.

15.5 Invoices shall be sent to Customer upon completion of the Services and delivery to Customer of the agreed Services Deliverables. If Customer defaults in any payment when due, Miltenyi, at its option and without prejudice to its other lawful remedies, may defer delivery or terminate the Services.

15.6 Except as otherwise set forth herein or in the relevant Contract, Customer shall be the exclusive owner of, and Miltenyi hereby assigns to Customer, all Customer Materials, Data, inventions, improvements, designs, programs, formulas, know-how and writings supplied by Customer and/or generated or discovered as a direct result of Miltenyi's performance of the Services, whether or not copyrightable or patentable (collectively, the "Inventions"). If requested by Customer, Miltenyi shall, at Customer's expense, do all things reasonably necessary or appropriate to assist Customer in obtaining patents or copyrights on any Inventions. Notwithstanding the foregoing, Customer shall not by virtue of the Services Agreement or either party's performance thereof obtain any intellectual property or other ownership rights in any methods or processes used or developed by or for Miltenyi in or for the provision of Services or any documentation, records, raw data, materials (other than Customer Materials), specimens, work product, concepts, information, inventions, improvements, designs, programs, formulas, know-how, or writings related thereto, except those methods and/or processes, if any, provided by Customer to Miltenyi and designated as being owned by Customer in a separate written agreement between the parties.

15.7 Miltenyi's sole warranty with respect to the Services is that Miltenyi will perform all Services in accordance with the standard of performance set forth in Section 15.1 above. Customer shall notify Miltenyi in writing of any claim for a breach of such warranty by Miltenyi within one (1) month after delivery by Miltenyi of the written report of the results relating to such Services. Customer's failure to give notice of any claim within the applicable time period specified above, shall be deemed an absolute and unconditional waiver of such claim, irrespective of whether the facts giving rise to such claim shall have been discovered or whether processing or use of the Services shall have then taken place.

15.8 Except to the extent caused by gross negligence or intentional misconduct of Miltenyi, Customer shall indemnify and hold harmless Miltenyi, its affiliates and their respective officers, directors, employees and agents from and against any and all expenses (including, but not limited to, reasonable attorney's fees), damages, judgments, and losses incurred by any such indemnified party as a result of or in connection with any claim, demand, or cause of action asserted by a third party for physical injury to or death of persons, physical damage to property, or infringement of intellectual property arising out of or based upon (a) Customer's manufacture, sale, or use of any quantity of Customer Materials, the Data or any product or service based in whole or in part on Customer's reliance on the Services or any portion thereof provided to Customer by Miltenyi, or any derivative thereof, and (b) Miltenyi's use or reliance on Customer Materials for the performance of the Services for Customer.

15.9 It is a condition of any Services Agreement that Customer will use any materials provided by Miltenyi, including without limitation any compounds, biological materials, and nucleic acid molecules (e.g. DNA, RNA, vectors, clones, libraries such as cDNA libraries, cells, etc.) ("Samples"), only for Customer's internal research purposes. In particular, Customer shall not be permitted to sell or transfer Samples to any third party, whether or not Samples are sold or transferred without consideration for use in research.

Customer shall not separate any such end-user license for Software from a Product.

16.3 In addition to any obligations or restrictions set forth in the applicable Software license, except to the extent permitted by law, Customer shall not duplicate, disassemble, de-compile, reverse engineer, modify, create derivative works, or otherwise change a Software or its form. Customer may use Software that are incorporated in or packaged with a Product solely in connection with the authorized use of such Product, and shall have no other rights with respect to the Software.
